

PP4.Valencian Institute for Conservation and Restoration of Heritage – IVC+r

The IVC+r forms part of the Valencian Council involved in matters of Cultural Heritage. Its experts possess a wide experience in the conservation of the cultural heritage that has been acquired in institutions of renowned prestige.

IVC+r is the Coordinator of WP5, sharing responsibility with NTUA and participates also in all the WPs of the proposed project. During the implementation phase of WP5, IVC+r will share the responsibility of supervising the urban intervention that will take place in each city with NTUA by providing specialized expertise on the planning, design and execution of the pilot conservation and rehabilitation of the historic buildings. A IVC+r representative will take part to the Project Management Board (PMB) and to the Scientific & Technical Committee (STC) (WP1). IVC+r co-organizes with GIC communication actions in Valencia for WP5, explained in WP2. IVC+r will transfer the knowhow and experience gained by the project running in total to the setting up of the MEDNETA observatory (WP3). IVC+r will be responsible for carrying out data collection and survey on local ACD's as well as preliminary data analysis (WP4). IVC+r will be responsible to organize the local stakeholders in order to contribute to the formulation of the joint integrated strategy through specially organized workshops and interviews, detailing in parallel the foreseen plans and programs (WP4). During WP5 IVC+r will have the responsibility to plan and implement the urban intervention that will take place in Valencia. IVC+r will provide training material for the transfer of experience and knowhow that will be presented in the workshops of WP6. IVC+r's involvement in WP7 is to provide a list of potential stakeholder partnerships that can engage in pilot cooperation schemes identified mainly through the workshops and the MED Forum. IVC+r through WP8 will facilitate the contact with local institutions in Valencia.
